RAYMOND HONORS CIVIL WAR DEAD

RAYMOND S. H. June 22.—He presided at the meeting of the Harvard war veterans at the Old Chapel today. There was a military parade, and a number of speakers. The speaker of the occasion was Mr. Raymond, who made a stirring address. He said that the war was a great test of the nation's strength, and that the men who fought in it were the heroes of the nation. He urged that the nation should honor the memory of these men, and that it should do so by supporting the civil war dead.

Five Years Ago

We believed that the keeping qualities of beer sealed with corks was superior to that sealed with crown caps. To-day we positively know that

Budweiser

retains its brilliancy, effervescence and flavor better when sealed with crown caps. We know this because we have tested thousands of bottles both ways, and these tests compel us to render a verdict in favor of crown caps. Besides, the crowns are infinitely more convenient to both the consumer and the trade. Budweiser is always the same in quality no matter whether sealed with corks or crowns and is bottled only at our home plant in St. Louis.
